Okavango Delta

Fly across the Okavango Delta to your next amazing safari camp. Widely acknowledged as the "Predator Capital of the World," this area of the delta offers some of the most exciting game viewing in Africa and is one of the best places in Botswana to see the Big Five — lion, leopard, rhino, elephant and Cape buffalo — drawn here from surrounding regions by the lush delta. Predators include cheetah, spotted hyena and, at the very top of the food chain, large resident prides of lion. This afternoon, take advantage of game-viewing activities led by experienced guides or enjoy the vistas from your own private viewing deck.

Okavango Delta

Depart on another spectacular early morning game drive. Beyond predators, the Okavango Delta draws large concentrations of elephant, buffalo, red lechwe, giraffe and impala. In season, enjoy a mokoro ride for a rare safari opportunity across deceptively quiet marshlands alive with crocodile, hippo, birds and tiny denizens like the red reed frog. If you opt for an afternoon game drive, listen for a roaring lion on the prowl or spy nocturnal animals as they start out for the night. After a full day of game viewing, return to your camp to relax.
