Crystal Unveils New Family and Outdoor Spaces Aboard *Crystal Grace*

Open-Air Sanctuaries and Family-Focused Spaces Define a New Chapter of Exceptional at Sea

Crystal released today new details around *Crystal Grace*, introducing a collection of thoughtfully designed family and outdoor spaces that will elevate the guest experience aboard the brand's newest ship set to debut in 2028.

CRYSTAL

A New Outdoor Destination for Families

Located on Deck 11, *Crystal Grace's* dedicated youth area has been designed as a vibrant gathering place where younger guests can enjoy the freedom of open-air play while surrounded by the sea.

The space will feature a shallow pool, outdoor recreational games and comfortable areas for families to spend time together in a safe and welcoming environment. Designed to encourage active play and social interaction, this new concept reflects Crystal's commitment to creating meaningful experiences for younger guests while maintaining the sophisticated aesthetic that defines the brand.

Waves Teen Center: A Dedicated Space for Teens

Also located on Deck 11, the all-new Waves Teen Center has been significantly expanded, offering the largest teen space in Crystal's fleet.

Created exclusively for guests ages 13 to 17, the venue features a larger entertainment lounge complete with an oversized screen for gaming, movies and group activities, card and board game areas and a music and dance space featuring a sound system and dance floor.

The teen program will operate daily with dedicated programming and activities during peak family travel periods, including summer months and the holiday season.

Fantasia Children's Playroom Reimagined

Across the way, younger guests will enjoy a refreshed Fantasia Children's Playroom, designed specifically for children ages 3 to 12.

Offering creative activities and supervised experiences, Crystal's family-friendly approach includes drop-off programming for younger children, supervised activities for older children and the continuation of the brand's in-room babysitting services.

The enhanced playroom is designed to create an engaging and welcoming environment where children can learn, create and make new friends while parents enjoy the ship's many amenities.

“Crystal Grace represents the future of exceptional luxury travel while honoring the elements our guests cherish most. As more families and multiple generations choose to travel together, we have thoughtfully expanded our offerings for younger guests while enhancing the outdoor spaces that make life at sea so memorable. These new venues create opportunities for connection, adventure and relaxation for guests of every age.”

Seahorse Pool, Private Cabanas and Pool Bar

At the heart of Crystal Grace's outdoor spaces is the Seahorse Pool, the largest pool in the Crystal fleet. Spanning the center of Deck 10, the expansive pool area will feature 140 loungers between Deck 10 and 11, creating ample space for guests to relax, socialize and enjoy uninterrupted ocean views. A large outdoor LED screen will serve as a focal point throughout the day and evening, hosting everything from live sporting events and destination programming to movie nights under the stars.

For the first time, *Crystal Grace* will introduce a collection of 60 private cabanas on Deck 11, offering guests an exclusive retreat overlooking the Seahorse Pool. Designed for relaxation and privacy, each cabana accommodates two guests and provides elevated views of the pool deck and surrounding seascapes. This new addition creates a tranquil sanctuary where guests can unwind, socialize, or simply take in the ever-changing ocean vistas. Cabanas will be available on a first-come, first-served basis.

Recently announced to be added to *Crystal Serenity* during her upcoming dry dock, *Crystal Grace* will also feature a new poolside bar located on Deck 10 midship, directly behind the main pool area. Designed as a relaxed gathering place from day into evening, the space will offer guests a stylish setting to enjoy cocktails, conversation and panoramic ocean views.

Crystal Grace's inaugural voyage will embark on June 11, 2028, on an eight-night sailing from Civitavecchia (Rome) to Venice.
