# IMPORTANT INFORMATION

Depart the ship for your transfer to the ultra-luxurious The Reverie Saigon, one of Asia's top hotels. After a welcome reception, the celebrated chef Marcelo Geraldini will accompany you to the unique dining event he has designed personally. Chef Geraldini regards the food he creates as intimately entwined with nature, the environment, and the people involved in its journey to the dining table. For this unparalleled culinary journey, he has designed a special menu that draws on his long professional experience around the world, from the UK and Europe to his native Brazil and, since 2016, Vietnam, where he has made a major impact on the country's dining scene. Expect a delicious and inspiring selection of dishes such as pan-seared foie gras with apple, reduction of aged vinegar, and honeycomb, and black cod with green peas, lobster emulsion, and passion fruit hollandaise. After dinner, replete from this incredible feast, you will be transferred back to the ship.
